Activities are subject to change when necessary!

Bobbie L. has been with us at Grand Oaks for seven years now. She was born in Tampa, Florida but spent the early years of her life in Cross Creek, Florida where the writer Marjorie Kinnan Rawlings wrote the book *The Yearling*, about her life there. Bobbie and her family lived in that beautiful area and she says life was simple and beautiful and she treasures her memories of that area.

She is the mother of eight children and 13 grandchildren and three great grands! We know she is treasured by them because they visit here often. She loves to sew and do crafts and go to the CASINO! She is first in line when we go to the reservation.

When I asked her what she likes about living at Grand Oaks she said, "I love the people who live here and the staff". She likes the coziness of the smaller community. We are happy to have her with us and glad she loves being here!
