We have a new team member in the kitchen Mario Villalpando, he comes with good experience. If you happen to see Mario walking through the halls make sure to give him a warm welcome.

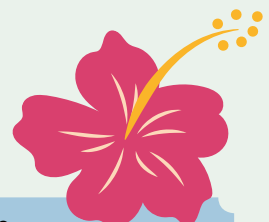

August brings a lot of fun activities. Plan to Roll the dice at the Casino and/or bake some fresh baked goods in the Country Kitchen. I hope you all feel like singing because the Boho Cowboy is visiting us at the end of the month. Let's not forget our Wine and Cheese get-togethers and our Ice Cream Socials. Resident SPOTLIGHT

JACK C.

Jack was born on 5/18/1926. He is now 97 years of age. His mom was born here in Okeechobee and his dad moved here from Crystal Water. Jack has an older

sister that just turned 100 years old, two days after his 97th birthday. Jack's grandmother was a midwife that delivered over a thousand babies. He went on saying that she became a midwife because there weren't any doctors here in Okeechobee for a very long time. His favorite memory was going hunting with his dad and rounding up cattle.

Jack attended school here and rode his horse to school until he was twelve years old. He then went on to Okeechobee High and graduated in 1944. He always wanted to be a cowboy and was very happy when his dad purchased their first cow. Jack had enough money saved in his piggy bank to purchase a cow and a calf of his own, which was \$15.00. He loves the open range, riding horses and taking special care of the calves.

Jack married his high school sweetheart Mildred on January 15th, 1951. Jack stated he had the best marriage and that was the happiest time of his life. They were married for 67 years when she passed away. They had four boys together. Also having five grandchildren and nine great grandchildren. Hunting and fishing were his favorite things to do besides working on the ranch. His role model was his dad and his uncle. World War II made a big impact on his life because he lost a few of his friends that he attended school with.

Jack said he didn't like living by himself, so he moved into Grand Oaks on May of 2021. He said, "I love living here because the staff is great and it's a great place to live."
