*A word from your
ADMINISTRATOR*

Dear Residents,

Hello February!!

It's that time of the year where we tell our love ones how much we care about them and take every chance to show love to all we meet.

First, I would like to welcome our new caregivers, Natalia and Erica. Please help me make them feel welcome.

Highlights of the month, on the 7th WJ would be joining us along with his singing buddies.

A Valentines party on the 14th with Paul Wilkinson.

A trip to the Aquarium in Fort Pierce on the 17th, a lunch will follow.

There will be other exciting things to do as well, so be sure to check out our calendar for upcoming activities.

Please remember we are still experiencing some cold weather, so keep a sweater close by to keep warm.

Resident SPOTLIGHT

MARGARET D.

Margaret was born on December 21st 1930 in Dandridge, Tennessee. Her dad owned a gas station and her mom, was a home maker. She had three brothers and one sister. Her favorite childhood memory growing up was, learning to play the piano.

When Margaret was eight years old, her family packed up and moved to Belle Glades, Florida. She attended Belle Glades High School. Her favorite subject was, home economics. She loved to sew. Margaret had lots of friends in school, they would go to the movies and school dances.

After graduating, Margaret went to a beauty school in West Palm Beach to pursue a career in hair dressing. She always as a young child wanted to be a hair dresser, and so she followed her dream and opened up her own shop. The name of her shop was, "Margaret's."

She met her husband, Lonas Amerine, at a grocery store. She said laughing, "I was hiding from him, but he pursued me and I gave in." They dated for six months before getting married. She has one son, Steve and two step daughters.

He was a captain in the Air Force and they travelled all over the world. He passed away in 1984 with cancer. They were married for fifteen years. She met Bobby Davis out one evening having dinner with some friends in Port St Lucie, he approached her and started a conversation. They dated for a year and got married in 1985. He was a salesman, they were married for twenty-nine years before he passed away in 2014. Margaret kept busy with her hair salon and sewing. She also volunteered her time playing the piano at her church.

She is a grandmother of two and a great mother of two boys and one girl. Life advice she would pass along to them, would be to follow your dreams and always go after what you want, don't ever give up. Margaret moved into Grand Oaks on June 6th 2021. She said, "I love it here because I don't have to worry about anything. I'm well taken care of and I enjoy the activities and socializing with the other residents."
