## Employee SPOTLIGHT

### BRIANA HIGHT

Briana was born in Sebring, Florida. She is the oldest child of three siblings, with a sister and a brother. One of her favorite childhood memories is going on family trips to the Florida Keys for snorkeling.

Briana grew up in Okeechobee, Florida and attended Okeechobee High School, graduating in 2020. After graduation, she attended Indian River State College and received her associate degree.

At the age of seventeen, Briana became a Certified Nursing Assistant in the home health field. Now, she is pursuing her dream of becoming a pediatric nurse.

Briana has one daughter named Alea, whom she absolutely loves, along with her bonus babies, Blayke and Bransen. She loves the outdoors, especially going to the beach and kayaking, as well as nature walks and reading books.

Since being employed at Grand Oaks, Briana has been a caregiver and med tech, roles she loves. She stated with a smile on her face, "I learn from the residents because they tell stories about their lives."
