Dear Residents, Families, and Staff,

As we welcome the warmth of spring and the joy of Easter, we're excited to share this month's newsletter packed with special events, updates, and messages of hope and renewal. Easter is the time for fresh starts and celebrating the beauty of life, and we're so grateful to have each of you as part of our community.

Kim, our activities coordinator, has come up with themed social gatherings and craft projects blooming with creativity. It's the perfect time to cherish those around us and strengthen the connections within our community.

Upcoming April Highlights:

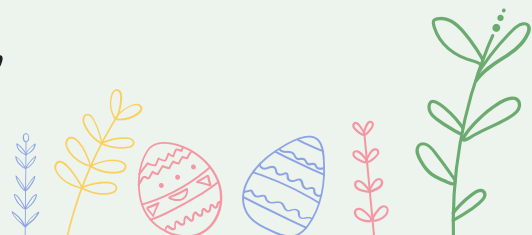

- April 4th – Casino Trip
- April 7th – Shopping at Bealls & Lunch at Slim Chicken
- April 18th- Easter Egg Hunt
- April 27th- Family Bingo

As we reflect on the season of renewal, we want to extend our heartfelt thanks to all our residents, families, and staff. Your continued support and love shared within our community creates a place of comfort, joy, and friendship. Together we continue to grow, just like the flowers of spring.

We hope everyone enjoys the festivities this month, and may this easter season bring peace, hope, and blessings to all.

Grand Oaks of Okeechobee

## KIMBERLY RUCKS

Kim has been at Grand Oaks family for one year in her current role, but she is no stranger to the community. Previously, she spent four and a half years here as an Activities Coordinator, bringing joy and creativity to the lives of our residents.

Originally from Jacksonville, Florida, Kim lived there until she and her husband moved to this area 23 years ago to pursue their dream of owning a motorsports dealership. After the sale of the dealership, she began working as a Direct Care Aide and shortly after she began working as an Activity Director. She really loves her job and enjoys being a part of the daily lives of the residents.

Kim is married with three children and two granddaughters. In her free time, you'll find her sewing, working in her yard, or propagating plants. She travels to Jacksonville often to visit her family.

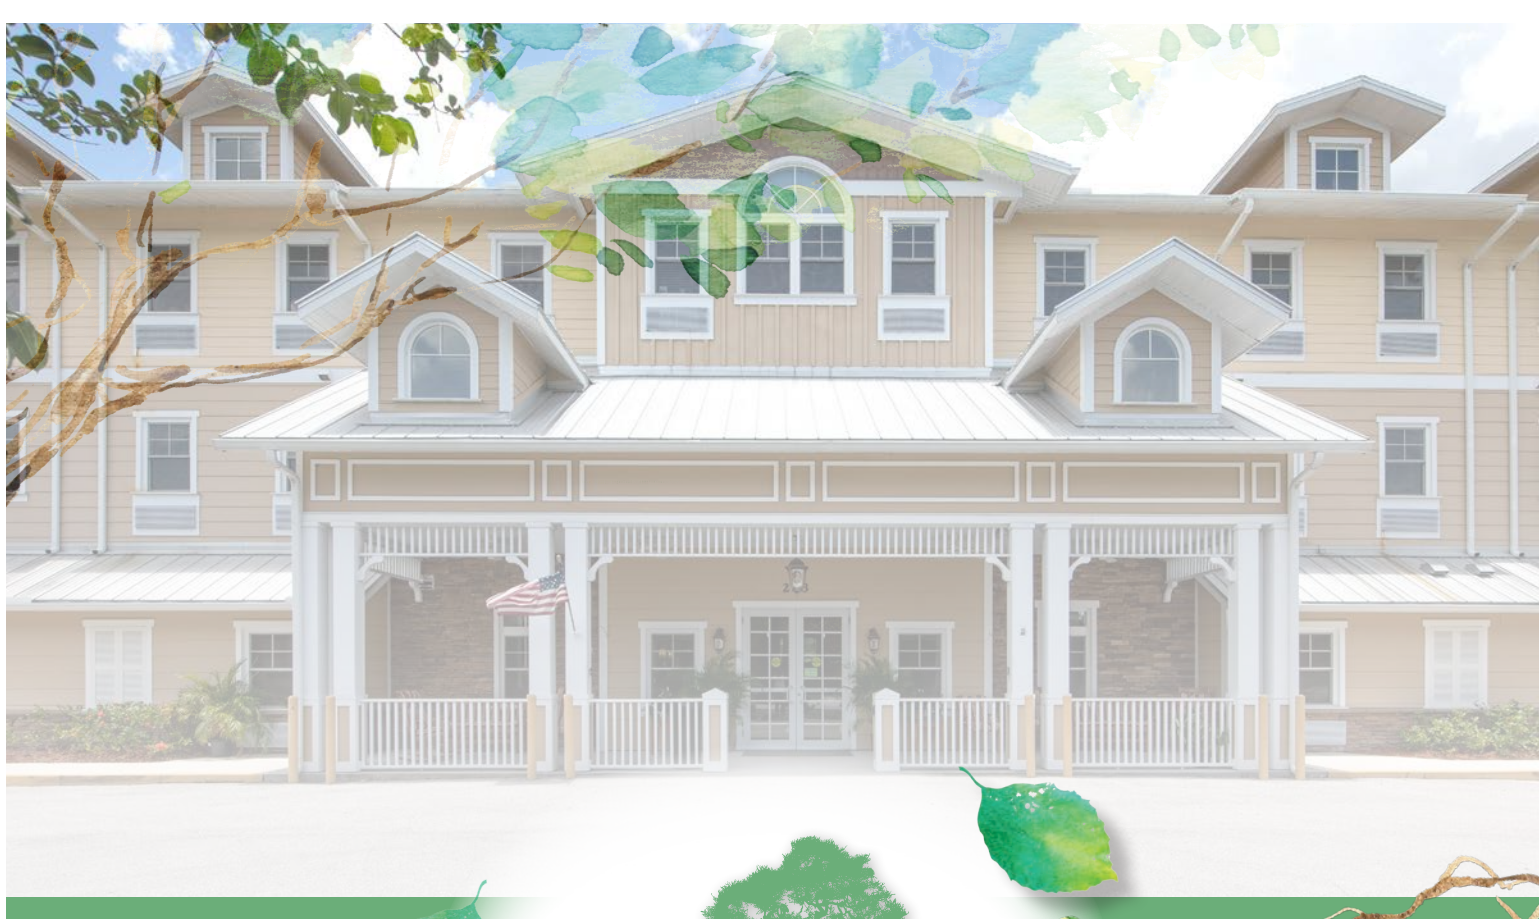

When asked about working at Grand Oaks, Kim says the best part is how much it feels like home. "It's such a wonderful work environment, and the staff is great," she shares.
