*A word from your  
ADMINISTRATOR*

Dear residents, families, and friends,

June is a month of sunshine, growth, and heartfelt celebration- here at Grand Oaks, we are especially looking forward to honoring the fathers, grandfathers, and father figures who have given so much to their families and communities.

Father's Day is more than just a date on the calendar; it's a meaningful opportunity to express our gratitude to the remarkable men in our lives. Whether through shared wisdom, quiet strength, or unconditional support, the fathers in our community continue to inspire us all.

To all the fathers in our community: Thank you. Your legacies of love, leadership, and laughter continue to enrich our lives every day.

As we welcome the warm and sunny days of June, I'd like to take a moment to reflect on the vibrant community we continue to build together here at Grand Oaks of Okeechobee. Summer not only brings with it longer days but also new opportunities for connection, celebration, and enjoyment.

Wishing everyone a wonderful and meaningful June!

With appreciation,

*Sabrina Cook*

## Employee SPOTLIGHT

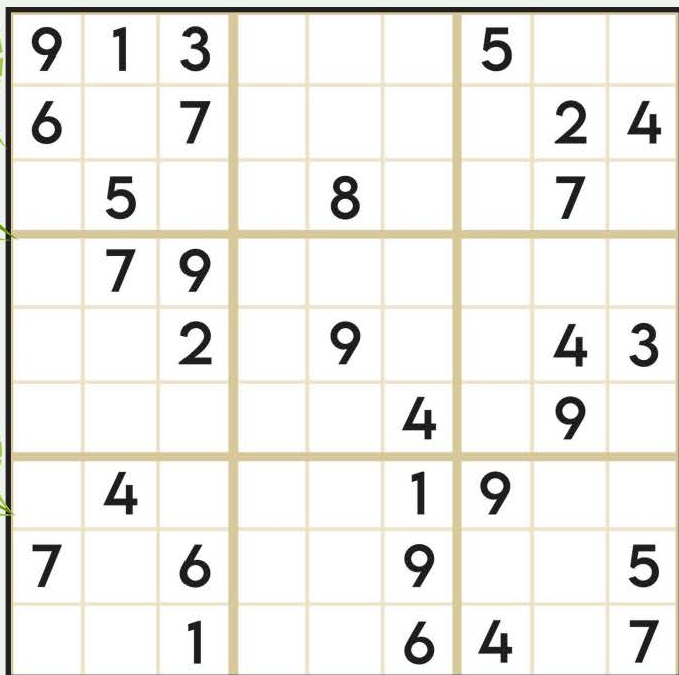

### VERONICA GARCIA

Veronica was born in Ft. Pierce, Florida. She has been with us at Grand Oaks for 4 months now. She is our Receptionist/HR assistant. She has experience in the health care field as she was a CNA when she graduated from High School for 2 years. Then she did Phlebotomy and time as a Pharmacy technician. She has a life partner, and a 6-year-old son named Giovanni and is expecting another boy in June!

In her extra time, she loves to garden and propagate and tend to her plants. She enjoyed watching her grandfather tend to all his plants, which was his passion, and it has become hers also. She is also crafty and helps with activity projects and getting them ready as she can at her desk!

She likes to be busy and is always willing to help any way she can from her office duties to helping our residents! Veronica said, "I enjoy being able to help everyone from residents to staff." We are very blessed to have her with us at Grand Oaks!

## Calendar Spotlight

*Our Roots  
Run Deep  
IN OUR  
COMMUNITY*
