RHONDA C.

Rhonda was born in Naples, Florida on 11/19/1965. Her dad was a farmer and owned a heavy equipment business. When she was six years old, they moved to Indiantown where her mom opened up an ice cream parlor that was called, Flip Flop Soda Shop before going into the restaurant business. So you can say, she was always active in working in the kitchen even as a young kid. She has one older sister. Her role model was her parents.

Rhonda attended Martin County High School. She was a cheerleader and had lots of friends. Her favorite thing to do, was to go “mudding.” She explain that mudding was riding bikes and trucks through the mud. Her dad owned a large property and on Sundays, her friends would all meet up at her dad’s place, her mom would fry chicken and bring lots of food and they would spend the whole day having a good old time.

Rhonda was very close to her grandmother and would spend summers at her house. She would help sell boiled peanuts, vegetable and tobacco on her porch that her grandmother had grown.

She got married at the age of eighteen. The happiest moment in her life was giving birth to her two sons. She has one granddaughter. Some of her hobbies includes, crafts, travelling and cooking. Life advice she would pass along to her grandchildren is, to make wise decision, to be truthful, faithful and honest. She moved to Okeechobee in her late twenty’s and love it here.

Rhonda’s dream was to be a nurse, she loved taking care of people. She got her CNA license and worked in home care for multiple years and also worked as a server for over fifteen years.

Rhonda has been working here at Grand Oaks for seven months. She said her favorite thing about working here is, cooking for the residents and keeping them happy.
