A word from your ADMINISTRATOR

Dear Residents,

Goodbye August! Hello September!

First off, I would like to give a warm welcome to Mickie. Let's do our best to help her feel at home.

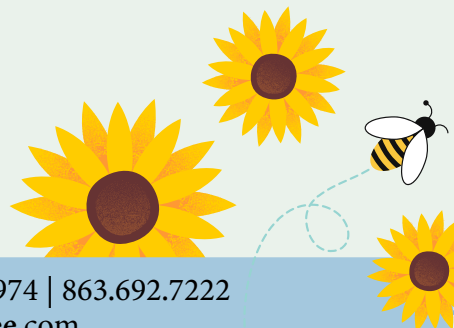

As summer days are starting to get shorter, fall activities are starting to appear on our calendars. We know the summer temperatures are going to stay with us for a while longer yet Autumn is on our minds!

September brings a lot of fun activities. To Kick off Labor Day we have scheduled a trip to watch the BARREL RACE at the Civic Center on the 1st. Put on your dancing shoes and enjoy lots of great musical entertainment throughout the month. We even have a comedian coming to bring us lots of laughs. Let's not forget we have some fun, new ideas for Arts & Crafts. So please make sure to check out the rest of our Activities Calendar for all the excitement.

Also, we are pleased to announce that we will be having a Grand Opening of our salon on September 11th. We can't wait to introduce you to our new hair stylist and manicurist. Come and get even more beautiful! Mela has worked very hard to bring you some of the best activities. I hope everyone has an amazing month and thank you all for being a part of the Grand Oaks family!

Ashlee was born on February 28th, 1995, in Griffin, Georgia. She has two older siblings. Ashlee was eight years old when her family decided to move to Okeechobee, FL as her father, unfortunately, lost his job and needed to be closer to supportive family. He now works in construction and her mother cleans houses.

Her favorite childhood memory, was taking a trip to Stone Mountain, Georgia. Spending quality time with her family makes her happy.

Ashlee attended Okeechobee High and graduated in 2016. She was a bleacher creature. Her job was to amp up the crowd during a high school game or an event. Her favorite teacher was Ms. Kruger, who taught English. She also studied cosmetology for six months.

Ashlee's dad has been her role model ever since she was a child. She said he worked very hard to support the family and never gave up in any difficult situations or regarding anything he is most passionate about, and that's the motto Ashlee follows by. One of Ashlee's hobbies includes reading. Her favorite author is R.L Steins. She also loves fishing, hiking and basically any outdoor activity.

Her happiest moment was becoming a mother to her daughter Marlee. Marlee is seven years old. Ashlee worked for a nursing home for three years, and Stepping Stones day care center before beginning to work here at Grand Oaks in March 2023. Ashley helped take care of her grandparents and working here at Grand Oaks brings back great memories of them.

Ashlee says, "My personal motto is to make at least one person laugh every day, it makes me feel good."
